Dear Mr. Weisberg,

I am sending you a copy of my book, recently published by Sheridan Square Press. I hope you like it.

I am doing follow-up work focusing on the assassination and I think this will provide a somewhat new approach on it. I realize you are very busy and that you are dealing with significant health problems, but if you can find the time to read this and have any thoughts about its relationship to the assassination, I would be very grateful if you would share those thoughts with me.

Sincerely,
Don Gibson
